

Read Me First—KONA LHi

General

The KONA LHi Installation and Operation Manual is located on the Software CD shipped with your product. The manual is a PDF that you can drag and drop onto your Mac hard drive or read directly from the CD. Adobe Acrobat reader is required to view the file. To provide you with the best documentation possible, AJA will periodically update the manual and place the latest version on the KONA LHi Products Support page on the AJA website. Check this URL location for the latest version:

<http://www.aja.com/support/kona/kona-lhi.php>

This manual covers the installation and operation of KONA LHi and discusses using it with Final Cut Pro and other applications.

Get the Latest Software from the AJA Website

To ensure you are running the very latest KONA LHi software, also check the KONA LHi support page for software notices, answers to frequently asked questions (FAQs), and new software versions: <http://www.aja.com/support/kona/kona-lhi.php>

The CD included with your package may not contain the latest software, so please check the website.
