Io HD

Read Me First

General

The Io HD Installation and Operation Manual is located on the Software CD shipped with your product. The manual is a PDF that you can drag and drop onto your Mac hard drive or read directly from the CD. Adobe Acrobat reader is required to view the file. To provide you with the best documentation possible, AJA will periodically update the manual and place the latest version on the Io Products Support page on the AJA website. Check this URL location for the latest version:

http://www.aja.com/html/support_Io_doc.html

This manual covers the installation and operation of Io HD and discusses using it with Final Cut Pro and other applications.

Get the Latest Software from the AJA Website

To ensure you are running the very latest Io HD software, also check the Io HD support page for software notices, answers to frequently asked questions (FAQs), and new software versions: http://www.aja.com/html/support_Io_swd.html

The CD included with your package may not contain the latest software, so please check the website.
